### Tips

- Photography can be included as a GB programme activity to encourage active participation.
- Engage a local Camera Club and invite them to come and talk to your group to give you tips and tricks to take a great photo.
- Casual and candid shots are encouraged to show everyone in “their natural habitat”. They do not need to be set up and staged, but do need to be appropriate to share with a wider audience.
- Photos of all unit groups is encouraged. All our units do lots of fun activities, and this is the perfect time to allocate a photographer to some of the group activities!
- Photos in uniform and Company/State/Event shirts is encouraged, but it is okay if everyone is in their camping gear too.
